Bee Disclaimer!	Starting in late July / early August, the number of BEES increases at our Park. Therefore, our Lemons are squeezed in the morning in a closed environment and the juice is put in a pump-style jug to dispense into your Lemonade. This method MUST be used to keep the Bee attraction & infestation to a minimum inside the Candy Popcorn Stand to allow us to operate the stand in a safe clean manner. Your Lemonade is still being made from Fresh-Squeezed lemons.
